*See CSD Diploma Chart for Senior English Language Arts (ELA) approved courses for Honors and Advanced Diplomas.

**Honors Courses** are available and should be viewed as a pathway to an Advanced Placement course. These courses are more rigorous. An honors section might not be available at every high school. Discuss options that meet your interests with your guidance counselor.

**Advanced Placement (AP) ELA courses** are strongly encouraged for all students. AP ELA courses help develop key skills needed to succeed in college by improving science writing skills, sharpening problem-solving abilities, and developing better study habits.
